

Curriculum Breakfasts

To share and learn as a community of educational practitioners

Deepen Understanding. Expand Skills.

We're all in this together. We're all learning together.

The Common Core State Standards... Instructional Technology... School Climate and Culture... Next Generation Testing... 21st Century Skills... Family Engagement... College and Career Readiness...

Educational practitioners share their expertise, lessons learned, lessons learning, and next steps at our SJCOE Curriculum Breakfasts.

Anticipate timely and relevant topics related to current educational topics.

Examples of 2013-2014 Breakfast topics included:

- "Reading and Re-Reading in a History Class"
- "Approaching Word Problems"
- "Common Core Implementation: A Small District's Journey (so far)"
- "Literature Circles"
- "Working Together to Improve Our School"
- "Gettin' Googley with the Common Core"
