

Egg-O-Naut C Event
Science Olympiad 2010

1. The rules in the Coach's Manual will be followed.
2. An AquaPort launcher will be used. These are available from Pitsco.
3. A practice launch day has been set up at the County Office of Education's soccer field across from Venture Academy on Transworld Drive. No reservations are required. Any and all teams are welcome. The date is Saturday morning, February 27, from 9:00am to noon. Everything will be here except the rockets.
4. No out-of-county plastic bottles are allowable since there is no guarantee of their strength. According to the rules, "Labels may be removed from the bottle but labels must be presented at the safety inspection."
