

## Science Crime Busters Division B

Students must bring: lab coats or aprons, closed-toed shoes, goggles, something to write with

Students should bring: spot plates or small containers, plastic spoons or microspatulas, pH paper, a magnet, a hand lens, tweezers/forceps, pens and pencils, and paper towels

DQ's: Tasting, touching or feeling of the substances, unsafe handling of the equipment

CHANGES for this year:

- Each team is allowed one sheet of notes, front and back,
- A list of unknowns will NOT be given to students
- Water Testing
- I recommend this test kit: [SB33597M from Nasco](#)

Scoring:

50% Identifying solids, liquids, and metals

10% Water Testing

5% Chromatography

10% Identifying DNA evidence, shoeprints, tire treads, fingerprints, etc.

25% Analysis
