

## What is the San Joaquin SELPA CAC?

The Community Advisory Committee (CAC) is primarily composed of parents of special needs children and representatives from public and private agencies.

Presentations on topics of interest to families of special needs children are provided free of charge. Business meetings are held monthly in conjunction with the presentations. You will find a relaxed atmosphere that is warm and welcoming. There is always an opportunity to network with other parents, the presenters, agency representatives and educators.

## Who should attend?

All parents, family members, educators, agency representatives, and others who are interested in children with special needs are invited to attend the presentations as well as the business meetings. Please see the insert for the exact dates, times, locations, and topics or call 468-9283. Meeting information is also available at [www.sjcoe.org/selpa](http://www.sjcoe.org/selpa)

**Come mingle, share and learn.**

## The function of the CAC is to:

- Provide an opportunity to learn and share with other parents who have similar experiences.
- Enrich advocacy skills.
- Build communication between schools, parents and related agencies.
- Promote community awareness.
- Advise San Joaquin SELPA districts regarding the development, amendment and review of the local plan for special education.
