September 2015

Dear one. Program Families,

It is with excitement I welcome you to the 2015-2016 school year, the 25th anniversary for the one. Program! It seems just a short time ago, that our past superintendent, Dr. Rick Wentworth, had a vision to serve students who didn’t fit into the mold of traditional education. We started with one classroom in 1991 and quickly grew to over 30 school sites throughout the county.

It was just a short time later that we embraced the journey of becoming WASC accredited and became one of the first County Office of Education Alternative Programs in the state of California to become accredited!

We believe strongly in relationships and the value of working together. We believe each of our students is destined for greatness and that it is our job to support them, challenge them, and provide them with opportunities that help them find their worth and embrace the world. We are extremely proud of the Graduation by Exploration our students complete as they graduate from high school and pursue their goals in the next season of their lives.

Each year we evaluate our program through surveys, School Site Council Meetings, and Local Control Accountability Stakeholder meetings. Our students, parents, community stakeholders, teachers, counselors, and support staff discuss and complete surveys of what is working and make recommendations for change. As we strive to be the best we can be each day, we evaluate the recommendations, make the needed changes, and create new ideas, concepts, and procedures. We do this because our students deserve the best.

Lastly, I would like to share with you how honored I am to work in a program so dedicated to student success. It is an inspiration to come to work in a setting where people are focused on being a team, with the goal of making a difference in every child’s life. I am excited for the 2015-2016 school year and look forward to many smiles and celebrations of success!

“Coming together is a beginning; keeping together is progress; working together is success.”

- Henry Ford

Happy 25th Anniversary one. Program!

Warmly,

Janine Cuaresma
