San Joaquin Council for Quality Education & Care of Children (CQECC)

(Local Child Care Planning Council)

We welcome you to attend and be a part of our monthly council meetings. Our council works together to:

- Provide information sharing, resources and advocacy to meet the needs of children and families
- Access current legislation and share input on its impact
- Meet goals to enhance and promote quality child care and education
- Learn of upcoming professional development and education events
- Participate in networking opportunities and form partnerships within the community
